# GAME STORY

Six years have passed since the Gremlins™ wreaked havoc on Kingston Falls. Gizmo has been living with Mr. Wing in Chinatown. However, a strange series of events will reunite Gizmo with his friend of long ago, Billy Peltzer.

Entrepreneur Daniel Clamp tried to buy Mr. Wing's shop, which was located right in the middle of the site where Clamp intended to build his office complex, Clamp Centre. Mr. Wing would not give in. However, he was old and tired and when he passed away, the shop and part of Chinatown was torn down. During the demolition, Gizmo barely escaped with his life and was captured by a geneticist who works in the Clamp Genetics Lab. Now poor Gizmo is a captive inside the Clamp Centre.

Meanwhile, Billy Peltzer and his girlfriend, Kate, have moved to New York City. Billy works at Clamp Centre as a commercial artist and Kate is the Clamp Centre Tour Guide.

# GAME STORY

One day Billy hears a mail clerk humming Gizmo's unique song. The mail clerk explains that he heard the song somewhere in the Genetics Lab. Billy desperately searches for Gizmo in the Lab and rescues him. They are happily reunited.

When Billy is called away from the office, he hides Gizmo in his desk drawer and cautions Gizmo to be very quiet and stay out of trouble until he returns.

However, Gizmo being the curious Mogwai that he is, doesn't follow Billy's instructions and we **ALL** remember that there are three things you must **NEVER** do to a Mogwai . . .

- 1) DON'T EXPOSE HIM TO BRIGHT LIGHT
- 2) DON'T LET HIM GET WET
- 3) AND WHATEVER YOU DO, DON'T FEED HIM AFTER MIDNIGHT!

This is where our story ends and where your adventure begins . . .
